NOVOMATIC debuts new product line-up in Latin America at PGS

A new range of cutting-edge NOVOMATIC gaming equipment for international casino markets was launched in 2018 and will now be previewed in Latin America for the first time at the Peru Gaming Show. Taking place on June 20-21 in the heart of Lima, PGS is gearing up to be its largest edition to date and NOVOMATIC will make a standout presentation of new cabinets, single games, multi-games and game mixes, as well as standalone and linked progressive jackpots.

On Stand #58 at the Peru Gaming Show 2018, NOVOMATIC will showcase a range of brand new gaming equipment in Latin America. The new cabinets PANTHERA™ 2.27 and PANTHERA™ Curve 1.43 will be on prominent display. The two-screen version PANTHERA™ 2.27 features a straight-forward design and powerful performance, and at PGS will present the new NOVO LINE™ Interactive Edition X game mix with ten leading titles that include Viking & Dragon™, Amazon's Diamonds™ and Book of Ra™ Temple of Gold.

The single-screen cabinet version PANTHERA Curve™ 1.43 features a 43" curve screen with 4K display and delivers a wide selection of single- and multi-game content. At PGS, a bank of six cabinets will present six titles – Asian Fortunes™, Book of Ra™ Mystic Fortunes, Treasure of Tut™, Goddess Rising™, Voodoo Fortunes™ and Pyramid Fortunes™ – all connected to the linked progressive jackpot solution Enchanted Fortune Linked Jackpot™, also on show for the first time in the region.

Widely popular in Peru, as well as throughout Latin America and the rest of the world, the V.I.P. Lounge™ 2.32 cabinet returns to the show, this year featuring the new Impera Line™ HD Edition 6, which is already gaining in popularity across the region with a mix of new and classic titles such as Blue Moon™, Fruit Cubes™ and Book of Ra™ deluxe. Its sister cabinet, the new V.I.P. Lounge™ Curve 1.43 will make its debut in Latin America at PGS – ready to hit the market with its 43" curve screen in 4K and highly comfortable V.I.P. Scorpion Chair, this new cabinet will present NOVO LINE™ Concurve Edition 4 with a range of slots that include a variety of features and Standalone Progressive Jackpots.

An area of the booth will be dedicated to the Octavian myACP system, a comprehensive casino management system that is well established and growing in Latin America, with an expanding

range of intelligent modules. The scalable solution monitors all casino floor activity and provides detailed accounting and technical analysis as well as extensive marketing capabilities and reporting.

Lawrence Levy, VP Global Sales NOVOMATIC, said: “Peru is one of our most important markets in Latin America in regards to the volume and popularity of our products. With this in mind, we are confident that our new cabinets and games will please our loyal player base as well as appeal to a new market sector, with exciting features, bonus games, standalone progressive and linked progressive content.”

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs around 30,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 75 countries. The Group operates around 270,000 gaming terminals and video lottery terminals (VLTs) in its some 2,100 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
