

NOVOMATIC Gaming Industries GmbH received the militia seal of quality from the Austrian minister of defence

Gumpoldskirchen, 4 July 2017 – NOVOMATIC Gaming Industries GmbH received the militia seal of quality from the Austrian minister of defence. This seal honors companies, who make an important contribution to the safety of Austria. In more detail, employers receive the seal for releasing militia soldiers in order to practice their duty, supporting their members during the absence of the soldiers and for welcoming applicants, who are dedicated oneself to the militia.

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs around 24,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 70 countries. The Group operates approximately 260,000 gaming terminals in its more than 1,700 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
