Casino ADMIRAL Gibraltar launches Ainsworth's PAC-MAN™

Following the success of Ainsworth's PAC-MAN WILD EDITION™ in the North American casino market, Casino ADMIRAL Gibraltar has launched the game on its casino floor alongside a compelling line-up of Ainsworth titles. The new game selection complements the entertaining range of slots, tables, bingo and sports betting available at the Gibraltar venue.

PAC-MAN™ is one of the most recognizable figures in video game history and Ainsworth has brought the retro feel to casinos as part of a partnership with Bandai Namco Entertainment Inc. PAC-MAN WILD EDITION™ arrives at Casino ADMIRAL Gibraltar on the advanced A640™ cabinet and brings with it great gaming action, sounds and features such as a 'Fruit Bonus' for increased wins, free games that turn the screen into an extra-large 9x5 reel array and a 'Big Wheel Spin' feature that gives the chance to win one of three progressive jackpots.

Next to PAC-MAN WILD EDITION™ on the A640™ cabinet is Rumble Rumble Bear™ that features a curved reel display above the main reels, a variety of bonuses and 2-level standalone progressive jackpot. The A600™ cabinet has also been introduced at the venue, exciting players with top performing titles such as Fire Strike™ and Treasure Strike™ on the Dream Strike™ multi-level linked progressive, and Ultimate Thunder™ and Wild Wins™ on the Win Storm™ linked progressive.

Tim Mitchell, Casino Director of Casino ADMIRAL Gibraltar said: "The cabinet and screen quality of the new Ainsworth products are outstanding – they stand out even next to the latest models of other brands. Very impressed."

Sonya Nikolova, Head of Sales Ainsworth Europe, said: "Ainsworth's PAC-MAN WILD EDITION™ now provides an unbeatable offering for game lovers in Europe. Casino ADMIRAL Gibraltar is a trendsetter in its area, so the selection of the linked progressive products and premium titles for the A640™ cabinet would definitely turn into a must-repeat experience for the versatile audience of the Gibraltar casino."
