

NOVOMATIC sets high expectations at GAT Bogotá with launches that redefine multi-games

With its strong commitment to the Latin American market, NOVOMATIC Gaming Colombia is preparing for a standout performance at GAT Expo Bogotá 2025. On September 25, the company will once again showcase its leadership with the largest booth at the event, presenting a portfolio designed to set new standards in technology and entertainment.

Gumpoldskirchen/Bogotá, September 9, 2025 – On September 25, NOVOMATIC will once again take center stage at GAT Expo, with the largest booth at the event at the Hotel Sheraton Bogotá, and a line-up of products that anticipate new trends in the gaming industry.

In addition to presenting its most advanced technology, the company will host an exclusive hospitality space where guests can discover the latest portfolio highlights in a welcoming setting.

A new multi-game platform that will make waves

Among the most anticipated launches, NOVOMATIC will unveil a brand-new multi-game platform that is destined to become a true game changer within its product line. Featuring a selection of must-play titles and offering operators a differentiated approach, this solution is set to generate tremendous excitement in the market.

In the words of **Manuel Del Sol, CEO of NOVOMATIC Gaming Colombia**: "We are proud to bring a platform to Bogotá that redefines what operators can expect from a multi-game. This is a proposal that not only enhances the player experience, but also represents another step forward in our vision of delivering comprehensive, high-performance solutions across all market segments."

The company is keeping the details under wraps, inviting operators to discover the platform exclusively at GAT Bogotá.

A portfolio that consolidates leadership

- Multi-game Platforms: Magic Games Premium HD Edition 5, available on PANTHER 3.27 and FUNMASTER 2.27 cabinets, and Impera Line™ HD Edition 9, showcased on the PANTHER 3.27, delivering greater versatility and top-performing titles.
- Linked Progressive Jackpots: Superia CASH CONNECTION™ Vol. 1 & 2, IMPERA LINK™ Series 2, and NOVO LINE™ GOLDEN LINK™ Edition 2, all displayed on the flagship BLACK EDITION II 3.27 and MASTER SL™ 3.32 cabinets.

Return of Ruby Package with GLOBE LINK™ Xtension

After its successful debut in Cartagena, the Ruby Package returns, now joined by the GLOBE LINK™ Xtension Vol. 1 & 2. This solution combines cutting-edge hardware and engaging content, enhancing visual appeal and player engagement. The highlights of the package include the BLACK EDITION II 1.49J, which features an upgraded design, luminous infills, and a premium style that maximizes impact on the gaming floor.

Features that captivate players

The GLOBE LINK™ Xtension includes features that are highly appreciated by modern players:

- Golden Spins: with high-impact spins and boosted prize potential
- Free Games: extended playtime and engagement
- Xpress Feature: instant access to Golden Spins for direct action
- Expanding Reels: increased chances of winning in every game

Cabinets designed for every market

At GAT Bogotá, NOVOMATIC Gaming Colombia will also showcase its renowned BLACK EDITION II line of cabinets, which has been praised by operators worldwide for its premium design, substantial visual impact, and ease of maintenance.

The BLACK EDITION II 1.49J stands out with its J-curved screen, which is designed to maximize immersion and extend player time on the device. The Black Metro finish and ambient LED lighting give the cabinet a commanding presence on the gaming floor, making it a solid benchmark in the portfolio.

Other models from the same line follow this philosophy, combining the ergonomics, visibility, and powerful aesthetics that have made BLACK EDITION II a synonym of innovation and performance.

In parallel, the FUNMASTER 2.27 and PANTHER 3.27 cabinets continue to be in high demand in the Colombian market, thanks to their outstanding price-to-performance ratio and proven reliability. In such a diverse market, their versatility underscores NOVOMATIC's flexibility in adapting to different operational realities, ranging from premium venues to investment-sensitive operations.

With this innovative line-up, NOVOMATIC is reaffirming its role as a strategic partner for operators in the region, delivering solutions that seamlessly combine technology, design, and profitability for a constantly evolving market.

About NOVOMATIC

The NOVOMATIC AG Group is, as a producer and operator, one of the largest gaming technology groups in the world and employs about 20,000 people. The Group was founded by the industrialist Professor Johann F. Graf in 1980 and has locations in about 45 countries, and exports innovative gaming equipment, system solutions, lottery system solutions, and services to more than 130 countries. The Group operates gaming terminals and video lottery terminals (VLTs) in its own more than 1,400 electronic and regular casinos, as well as via rental models.

The NOVOMATIC AG Group is active as a full-service provider in all segments of the gaming industry through its numerous international subsidiaries, offering a comprehensive omni-channel product portfolio for partners and customers worldwide. This ranges from terrestrial gaming products and services, through management systems, cash management solutions, and online, mobile, and social gaming solutions, to lottery and sports betting solutions, as well as a whole host of other first-rate products and services.
