

NOVOMATIC Americas presents: The Future, Illuminated

Progressive Innovation Evolving One Step Further at the Indian Gaming Association 2026 Trade Show.

Chicago/San Diego, CA, March 11, 2026 – At the San Diego Convention Center, NOVOMATIC Americas advances its next chapter of linked floor expansion with a disciplined, performance-first portfolio engineered for scalable growth and measurable results. Framed within the striking atmosphere of a Neon Nile, Booth #2533 becomes a destination where structured innovation meets high-impact presentation.

At IGA (Indian Gaming Association) 2026, NOVOMATIC Americas unveils its most dynamic and performance-driven showcase to date, headlined by the expanding power of **RISING TREASURES™**, the high engagement **ULTRA BOOST™ 3 Treasures**, and the debut of the all-new **VISION LINK™** progressive. Anchored on the immersive **DIAMOND X™ QUATTRO 1.55J** cabinet and supported by commanding, presence-driven merchandising, the portfolio reflects a cohesive next-generation strategy designed to amplify time on device, deepen player engagement, and optimize long-term floor performance.

RISING TREASURES™ linked progressive series returns with renewed strength, featuring proven favorites including **Book of Ra™ Treasure Gods**, **Sizzling Hot™ Treasure Inferno**, **Rise of Cleo™ Treasure Coins**, **Rise of Tut™ Treasure Coins**, and more, all enhanced with a bold ‘visibility first’ sign package engineered to drive attention and reinforce brand recognition across the casino floor. **ULTRA BOOST™ 3 Treasures** builds on its established momentum with **Tiger Storm**, **Mighty Taurus**, and **Grand Eagle**, presented in merchandising packages designed to anchor premium progressive zones and sustain high performance.

Making its exhibition debut, **VISION LINK™** introduces engaging new themes, including **Fu Flow Bao™**, **Ghost Party™**, and **Hot Pot™**, delivering dynamic bonus mechanics and a scalable progressive structure built to drive growth across tribal markets. These progressive portfolios are showcased across NOVOMATIC’s diverse cabinet lineup, including the **DIAMOND X™ QUATTRO 1.55J**, **BLACK EDITION II 1.49J** featuring **RISING TREASURES™**, and the **V.I.P. X Royal™ 1.85**, presenting the **VISION LINK™** in a premium format.

Technology partner **APEX PRO Gaming** complements the showcase with its premium **Clover Link®** progressives, **Clover Twist®**, **Clover Inferno®**, **Clover Tomb®**, and **Clover Wave®**, displayed on the sleek **APEX Pinnacle™ 43J Curve** upright cabinet, reinforcing a shared commitment to elevated design and diversified premium entertainment.

The **V.I.P. X Dream™ 3.43** cabinet features **Novo Unity™ Pro** standalone functionality, further strengthening NOVOMATIC Americas’ electronic table gaming portfolio, while the **V.I.P. X Galaxy™ 2.65** presents a commanding blend of electronic table gaming and slot performance designed to anchor high-visibility floor space.

The expanded **Novo Unity™ Pro** solution continues to redefine electronic table gaming by seamlessly integrating live electronic games, including **Sic Bo, Baccarat, Roulette, Blackjack, Blackjack 3 Hand**, and slots, across multiple player stations. Featured titles such as **Lucky Lady's Roulette** and **Going for Gold™** highlight the brand's ability to merge immersive presentation with operational efficiency, and to pair scalable technology with market-leading technical service and support.

"IGA 2026 reflects the momentum we are building at NOVOMATIC Americas," said **Jakob Rothwangl, Managing Director of NOVOMATIC Americas**. "Our focus is disciplined innovation, expanding proven product lines, introducing scalable progressive platforms, and delivering technology operators can rely on. We are strengthening our performance footprint in tribal gaming with solutions designed for long term growth".

Built on industry-leading engineering and global expertise from NOVOMATIC AG Group, NOVOMATIC Americas continues to set new benchmarks in visual presentation, player engagement, and measurable operator value.

Step into the world of Neon Nile at **Booth #2533** and experience a new generation of progressive game power, premium cabinet design, and scalable performance strategy.

The Future, Illuminated.

About NOVOMATIC Americas

Established in North America in 2012, NOVOMATIC Americas operates from Buffalo Grove, IL, as a subsidiary of NOVOMATIC AG Group, one of the world's largest gaming technology producers and operators, employing more than 26,000 people globally. Founded by Professor Johann F. Graf in 1980, NOVOMATIC has subsidiaries in about 50 countries, exports to 130 markets, and operates approximately 2,000 gaming facilities worldwide. The Group offers a comprehensive omni-channel portfolio, including land-based gaming, management systems, online/mobile gaming, sports betting, and cash management solutions.
